## TERMINAL DISCLAIMER

Commissioner for Patents  
Washington, D. C. 20231

Sir:

Sir:

Declarant, Rick D. Nydegger, represents that he is the Attorney of Record for MICROSOFT CORPORATION, a corporation of the State of Washington, having a principal place of business at One Microsoft Way, Redmond, Washington 98052, and that he is authorized to make this Declaration and execute this Terminal Disclaimer on behalf of MICROSOFT CORPORATION. Declarant further represents that MICROSOFT CORPORATION is the assignee of the entire interest, as shown by the Assignment recorded at reel 5589, frames 0379 et seq. (a copy of which is attached hereto as Exhibit A) in the records of the U.S. Patent and Trademark Office, of the above-identified application, and also of the parent application, now

U.S. Patent No. 5,557,723, issued September 17, 1996, (as also shown by the recorded assignment at Exhibit A). Declarant hereby further certifies that the evidentiary document at Exhibit A has been reviewed by him, and to the best of the Declarant's knowledge and belief, title is in the Assignee seeking to take action.

The Assignee hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of said U.S. Patent No. 5,557,723 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to said U.S. Patent No. 5,557,723, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

The Assignee does not disclaim any terminal part of any patent granted on the above-identified application that would extend beyond the term of said U.S. Patent No. 5,557,723 in the event that said U.S. Patent No. 5,557,723 later: (a) expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a); (b) has all claims cancelled by a reexamination certificate; or (c) is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Declarant further declares that all statements made herein of Declarant's own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of

the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

DATED this 26 day of February, 2003.
